

### Project 3 - User Stories

User	Story
End User	<ul style="list-style-type: none"><li>• This app provides a quick and easy way to store task list items for future reference. Also, it provides a good visual to track items as they are completed.</li></ul>
End User	<ul style="list-style-type: none"><li>• Provides the end user with a way to add and store contacts by using an easy-to-populate form.</li></ul>
End User	<ul style="list-style-type: none"><li>• For the user who wants a “no frills” app, but wants great features providing convenience and utility.</li></ul>
